

RAINBOW 'EPA' SUMMER LEAGUE

The Rainbow League is a well organized, Hove Based Pool League
It was originally set up, for and on behalf of, the 'lesser known pool players' within the Hove and Brighton boarder.

In our first winter season, the Rainbow League was played to the World Rules.
We had the support of local venues, COBHPL, the flexi-rest and Sussex County

The winter season turned out to be a huge success

With 16 teams entering the league, in our first season

4 teams won trophies in the 'CHAMPIONSHIP and the SUGAR SPOON'

47 players actually turned up to play in the Rainbow singles

Cash prize money for both finalists, including winners and r/up trophies

Team and individual winners have now qualified for the 2010 nationals.

***Due to strong interest from, EPA teams playing in the Rainbow winter league**, I have been asked if Rainbow could play an EPA version over the summer.

Acting on this request, **the Rainbow League would now like to invite the EPA pool teams to share in our success.**

As the **Rainbow is a 3 a side** league and played on Tuesday night, **we are not in direct opposition** to either current 'W/R or EPA leagues', **we are just an alternative.**

What is on offer?

OVER THE SUMMER , All RAINBOW COMPETITIONS , ARE TO BE PLAYED TO 'EPA PLAYING RULES ONLY'

-----On **Tuesday** night, '**The RAINBOW THREE**'. **Played to EPA rules!**

Played on a league format, home / away then a K-O stage

Regardless of how many teams enter , Hove / Portslade venues would be separate from the Brighton venues, '**the group stage would all be local and that is guaranteed'**

-----On a **Sunday** in May, played to a finish.[**free entry subject to conditions**]

The 'Silver Three K-O CUP'

As we are expecting at least 12 teams to enter, the 'silver three' this would have to be played at the Riley's venue.

-----Also on a **Sunday** in June, played to a finish

A **Rainbow EPA singles** and **Rainbow EPA doubles**, both played on the same day.

As we are expecting a minimum of 32 players in each of the two competitions, this would once again have to be played at the Riley's venue.
